A family friendly club bonded by the love of boating & Community.

Latitude: N 41° 49.16'
Longitude: W 73° 56.66'
Hyde Park, New York

The Poughkeepsie Yacht Club has proudly promoted boating, family fun, and community since it was founded in 1892. Members come from all over the area but have one important thing in common; a love for boating.

POUGHKEEPSIE YACHT CLUB

PYC

The Poughkeepsie Yacht Club (PYC) is a fun and friendly yacht club that revels in boating, kayaking, and related social activities. Our focus is to provide an active social calendar and welcoming atmosphere for all boating or social members to enjoy.

Founded in 1892 (originally in Poughkeepsie), we are a small, private yacht club based in upstate New York in the scenic Hudson Valley on the Hudson. We are located on the Eastern shore about halfway between New York City and Albany in Hyde Park. Nearby you will also find several historic sites including The Culinary Institute of America and the quaint town of Rhinebeck.

EDUCATION

The PYC offers a variety of hands on learning activities including but not limited to; navigating boats, docking techniques, and personal watercraft certification. The club also supports “learn to sail” activities through the US Power Squadrons. Or learn the ropes from some of our friendly club members.

BEST VALUE

Belonging to the PYC helps you gain priceless social bonds and fosters opportunities for sporting and social activities that widen and enrich your life. As a member, you will have many privileges at our club and guest privileges at many other yacht clubs. The PYC offers youth programs for young people that teach sailing and seamanship, and, through those activities, leadership. We feel our view and facilities make for one of the best values on the river.

WORKING TOGETHER

Over the past one hundred years, the PYC has based its success on it’s membership involvement. Whether participation is through working on the grounds, cooking or serving for a social gathering or helping conduct a sail boat race, members are expected to be a part of the process. It is the work of the members that creates a smooth operation that has made the club successful for so many years.

SOCIAL

We have an active social calendar that you can enjoy beginning in early spring with Irish Night; and winds down in the Fall with the annual Oktoberfest and Pig Roast. We have a fully stocked bar available to members and several casual ‘Frugal Friday’ dinners during the season.

Other social events that you can’t miss:

- Texas Barbeque, Family Day, Commodores’ Ball (*formal*), Boating Excursions and Sailing Days

FACILITIES & GROUNDS

We are fortunate to have vast and beautiful waterfront property and facilities to host a wide range of events. The PYC clubhouse is also available for private parties. As a member, you can host your personal gatherings, and weddings at our club. The backdrop scenery is inviting. The PYC encourages the entire family to enjoy and be a part of the Club.

SOCIAL & ACTIVE MEMBERSHIPS

We accept boaters and non-boaters alike. **No boat is required to join the PYC.** Kayaker’s are welcome too! Joining a club is one of the best things you can do for yourself . See our website for details (*below*).

HAUL, STORE, AND LAUNCH

The PYC offers a large travel lift for boat launches for our members for use. We provide the services to handle haul, store, and launch of a wide range of boat types and sizes.

TRANSIENTS WELCOME!

We accept boating guests and provide 30 or 50 amp service, WiFi Internet, and laundry services. We are close the Culinary Institute of America (CIA), FDR, and Vanderbilt historic sites.
